

“Speak Up on Digital Deficits within Your Organisation”

- Benefits shout out
- Develop the digital capability of employees
- Increase job ready digital talent
- Improve employability into digital/digitally enabled roles
- Harness (fast track) productivity and prosperity of your organisation

The Building Digital Capability (**DIGITAL**) project is an exciting initiative designed to develop innovative programs to build the skills and capacity of current and future digital workers in Geelong and the Greater Geelong region.

Project Timeline

Harvest Talent Recruitment & People Solutions has received funding from the Victorian Department of Jobs, Precincts and Regions – Regional Digital Fund to assist with the project.
